SHOW RULES AND REGULATIONS

This Show is held under Licence granted by the Governing Council of the Cat Fancy and is therefore subject to the Rules of the Council. A copy of the Rules may be obtained from the GCCF, 5 Kings Castle Business Park, The Drove, Bridgwater TA6 4AG, or from the GCCF website. All Exhibitors should be aware of the Regulations contained within Section 4 of the Rules; ignorance will not be accepted as an excuse for breach of the Rules.

SHOW ENTRY

It is your responsibility to ensure that the correct details, taken from either the Registration or Transfer Form, are given for your Exhibits, and that they are entered in the correct Classes. Where an Exhibit is jointly owned, **either** party may sign/tick the declaration.

VETTING IN

Vetting In slips will be given out at the entrance to Vetting In. All exhibits must be presented to a Veterinary Surgeon for examination, between 8.00 a.m. and 9.45 a.m., prior to being penned. Please have the exhibits vaccination certificate ready to show to the veterinary surgeon.

All cats exhibited at this Show, which is held under GCCF Rules, must have a current certificate of vaccination against FIE, FVR and FCV ("cat flu").

The full primary course (first set of vaccinations) in accordance with the manufacturer's recommendations must have been completed more than seven days before the Show.

Booster vaccinations against FIE, FVR and FCV must be given at the manufacturer's recommended intervals. Where a variable interval of 1 – 3 years for FCV and FHV is recommended the minimum interval applies. i.e. all cats attending shows **MUST** receive annual booster vaccinations against FCV and FHV.

For Boosters **ONLY**, note:

Exhibitors are advised to leave at least a week between a booster vaccination and show attendance to allow the vaccine to take effect and in case of any adverse reaction

NOTE temporary variation to the rules w.e.f. 6.11.2021 - Every adult cat attending a GCCF show must have had a minimum of a Flu (FCV,FHV) booster in the 15 months and 7 days preceding the show. Cats whose last booster was given more than 15 months and 7 days before the show will be rejected under Section A

Cats without a valid vaccination certificate will be rejected under Section A of the Veterinary Rejection form, unless the exhibitor undertakes to provide proof of vaccination, valid for the show, by sending the certificate to the GCCF Office within seven days of the Show. Failure to do so will lead to disqualification from this Show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the Office.

PLEASE NOTE: Homeopathic vaccinations are not acceptable for the purpose of showing.

Any Exhibit rejected at Vetting In, depending on the reason for rejection, may either be taken home, or placed in a Quarantine Pen away from the other Exhibits. If, in the Veterinary Surgeon's opinion, it is desirable for any other Exhibits from the same household, and/or in contact exhibits; and/or the owners/agents to be debarred from the Show, this will be enforced.

Cats which show obvious signs of lack of attention to hygiene, have sharp untrimmed claws or in the opinion of the veterinary surgeons are in an unfit condition to show, must be rejected under Section A of the Veterinary Rejection form. Note: Exhibitors should be allowed the opportunity to trim claws prior to rejection but should not expect the veterinary surgeons to do this for them at vetting in.

The Duty Veterinary Surgeons decision is final.
